PRESS RELEASE

Trademark *Uni-Qleaver*® registered in China

QuiaPEG Pharmaceuticals Holding AB (publ) today announces that it has successfully registered the Uni-Qleaver® brand name in China.

Uni-Qleaver® is the company's proprietary patent-protected technology platform, which allows a chosen release time for the drug through a controllable chemical coupling unit.

"We are very pleased to have achieved registration of Uni-Qleaver® in China as it is an important market for us", commenting Marcus Bosson, CEO.
